Changeling's Return

Travis Edward Pike

Otherworld Cottage Industries

9781892900074, \$24.95, PB, 270pp,

Critique: A unique literary and musical experience, the paperback edition of "Changeling's Return" can be significantly augmented by an accompanying CD of the same title that is comprised of eighteen original and thematically relevant musical numbers with a total running time of approximately 53 minutes. Adapted from "Morningstone", a screenplay by Travis Edward Pike, "Changeling's Return" is unreservedly recommended for community and academic library collections. It should be noted for personal reading lists that "Changeling's Return" is also available in a digital book format.

CHANGELING'S RETURN

Travis Edward Pike

OTHERWORLD COTTAGE INDUSTRIES

"Magic, mysticism, and mythology are not the stuff for the meek. Mankind has pondered these three intertwined subjects since he rose up on two legs and contemplated where one ends and the other two begin.

But Travis Edward Pike has combined magic, mysticism, and mythology in his entertaining new novel, *Changeling's Return: a novel approach to the music*" to tell the story of Morgen, an American rock & roll singer, who, right before the start of a sold-out European concert tour with his band, Beantown Home Cookin', unexpectedly finds himself in an otherworldly village on a journey of personal discovery.

"As the subtitle of the novel implies, music makes up the fourth element of the story, with a CD filled with songs that compliments and enhances the story perfectly.

"A rock star in the 1960s, Travis is well acquainted with the perilous ups and downs of the music industry and that experience shows itself throughout the book. He is also a lifelong student of mythology, and that knowledge is also put to good use.

"A real page turner, with terrific characters and unexpected plot twists, *Changeling's Return* is a must read for fans of music and mysticism. And play the CD (bought separately), while you are reading the book, as I did, to amplify the experience.

Author, Actor, and Playwright, Terry Hagerty
